

Big 'O'® REDLINE Tubing

Solid wall red coex pipe used as a conduit for electrical wires or water lines.

Why REDLINE Tubing?

- Easy to install
- Used as a conduit for electrical wires or water lines
- Durable design with 320 kPa product stiffness
- Chemical, abrasion, and UV resistant
- Combines with a wide range of Big 'O' standard fittings and accessories

Big 'O' REDLINE corrugated tubing provides a safe and effective electrical conduit. The internal pull string simplifies installation, and its red colour ensures easy identification. **REDLINE is available in 100 and 250 ft. lengths.**

REDLINE* Tubing (with pull string)

Available Lengths (feet)	100 ft.	250 ft.
